The Reader

Dear Parents, Colleagues, Governors and Students of the school,

Safeguarding Segment

As parents, carers and educators, keeping up with the latest social media platforms is a struggle. They evolve so quickly and, often as adults, we struggle to understand their various features. Therefore, taking the time to know what they are and assess the risks associated with them is an ever-moving mountain. This 101 sheet ([link here](#) and shown below) may just help to give a small piece of advice and, importantly, stimulate conversations with your child. It is only by having that open and honest discussion with your child/ children will you understand how to keep them safe and hopefully encourage them to recognise when otherwise, so they can come to you, or a trusted adult, and get the support they need.

Athletics Season

We are very proud of our year 8 pupil Ewan MacMillan for taking part in an athletics competition in Hull. Ewan was competing on a very wet and windy day but this did not stop him from doing his best.

Ewan managed to gain his personal best in all 3 of his events even in the challenging weather and placed:

1st Javelin U15s

1st Long jump U15s

3rd 800m U15s

Ewan, when asked, was really pleased with his 'Personal Best' in the long jump, his 19m throw in the Javelin and time of 2 mins & 40 seconds in the 800m, which was his 2nd competitive attempt at that distance.

We congratulate him and what a great way to start the season!

Top boy Woodroffe making waves

A modest young man in year 10 who has only just moved up to the 15+ age category has been in impressive form in the swimming pool over Easter. Finley Woodroffe scooped a number of awards and wins as he swam amazingly well over 2 days last weekend. This included a 5.30am start which is something that is not possible without complete determination, not to mention incredible fitness/stamina!

Well done young man!

Ever thought about Sailing?

Beaver Sailing club is our local sailing club, situated on Southfield Reservoir, near Sykehouse. They offer year round club racing to develop your skills to competitive levels or just sail for pleasure! Windsurfing, kayaking and other paddle sports are also welcomed. Please check out <http://beaversc.co.uk/> and email snowden@readschool.co.uk for a little more information.

Sports Information

Boys sport

Cricket - Sat 13th April

As you may have expected this weekend's scheduled cricket matches V Ashville have been cancelled due to the amount of rain and also, the forecast of rain.

Instead there will be an indoor netting training session for the boys in Y7 - 11 starting at 9.30am & finishing at 11.30am. PE kits or whites to be worn & cricket equipment if they do have but we have plenty of spares if required.

Any boys wanting to play in the school teams should be attending but all welcome. As always, if pupils are unable to attend then they should speak to a member of the coaching staff as soon as possible.

Girls Sport

Unfortunately due to a number of circumstances the Y7-13 girls' rounders training has been cancelled on Saturday morning. There will be no sports for girls this weekend. Apologies for the late notice and any inconvenience.

That concludes this Week's Newsletter, Signed;
